· Project will complete several streets in the
neighborhood
· Will address septic and leech field
if one exists for removal when project
15 development.
· This project will developed in much the
same way as Carlile Estates to the west.
· New homes will have a solar energy panels
that allows for 25% increase in density.
· All lots was satisfy min size for RD-5 zone
, smup study states that there is a 33%
savings in energy with the panels.
