Please note that answers to this survey are anonymous, and participation is voluntary. If you would like us to follow up on a specific issue leave your name and contact information in the additional comments. You may turn in the survey on your way out in the drop box located on the entrance table. We plan to use the results to improve satisfaction and any problems deemed necessary. When formulating your responses, please answer honestly and thoroughly. Thank you for your time!

Please note that answers to this survey are anonymous, and participation is voluntary. If you would like us to follow up on a specific issue leave your name and contact information in the additional comments. You may turn in the survey on your way out in the drop box located on the entrance table. We plan to use the results to improve satisfaction and any problems deemed necessary. When formulating your responses, please answer honestly and thoroughly. Thank you for your time!

1. How satisfied are you with the location of the CPAC meetings and events?

Please note that answers to this survey are anonymous, and participation is voluntary. If you would like us to follow up on a specific issue leave your name and contact information in the additional comments. You may turn in the survey on your way out in the drop box located on the entrance table. We plan to use the results to improve satisfaction and any problems deemed necessary. When formulating your responses, please answer honestly and thoroughly. Thank you for your time!

| Easton motors & nominal to get  |  |  |  |  |  |
| 3. How satisfied are you with the Annual CPAC Training and Appreciation Event?  |  |  |  |  |  |
| <ul><li>a. Very satisfied</li><li>b. Mostly satisfied</li></ul>   |  |  |  |  |  |
| C. Mostly unsatisfied   |  |  |  |  |  |
| d. Very unsatisfied   |  |  |  |  |  |
| The hold be two parts. One for new coppening and one for longer serving members. The informs helpful to me was mared through at the end.  |  |  |  |  |  |
| Presentations overlapped too much.  |  |  |  |  |  |
