Dear Nathan,

We are pleased to share that the County of Sacramento has been awarded an Engage, Empower, Implement (EEI) grant award for \$415,000. Sacramento County has been selected, along with the community-based organization partner, Mutual Assistance Network, to implement this grant and do meaningful community engagement.

SACOG staff will be working with Sacramento County staff to complete the required paperwork, including a Request for Authorization with Caltrans by January 31, 2025. Sacramento County will receive \$400,000 in federal funds through Caltrans and Mutual Assistance Network will receive \$15,000 from SACOG for the total project amount of \$415,000. Upon completion and submission of the forms to Caltrans and notice to proceed, staff will be able to implement the funds through 2027.

Congratulations and we look forward to this continued work together.

Sincerely,
