What is a Short Term Rental?
- Under the Sacramento County Zoning Code (SZC), a Short Term Rental is an Accessory Use allowed on properties developed with a residence to rent all or a portion of the residence and use of the property for transient occupancy.
- Transient Occupancy is defined as the use of any room or rooms for lodging or sleeping purposes for a period of time not to exceed 29 consecutive days per stay. Short Term Rentals may occur year-round (see residency requirement below), but are limited to no more than 29 total days per rental party per year.
- A Short Term Rental differs from a bed and breakfast inn in that the Short Term Rental is limited to one rental party at a time.
- Common online services for Short Term Rentals include AirBnB, VRBO, and HomeAway.

What Permits and Licenses do I need to operate a Short Term Rental?
- A Short Term Rental (STR) Permit from Planning and Environmental Review
- A Business License from the Department of Finance
- Registration with the Department of Finance to pay the Transient Occupancy Tax (TOT)

What Is TOT?
Transient Occupancy Tax (TOT), also commonly known as “bed tax”, is authorized under State Revenue and Taxation Code Section 7280 and Sacramento County Ordinance 3.08. The tax of twelve percent (12%) of the rent/consideration charged to “transient” guests is an additional source of non-property tax revenue to local government.

Any operator of any structure, or any portion of any structure, which is occupied or intended or designed for occupancy by transients for dwelling, such as a Short Term Rental, in the unincorporated area of the County of Sacramento are required to charge and collect the TOT of twelve percent (12%) of the rent charged to “transient” guests. In addition, lodging businesses are subject to the Sacramento Tourism Marketing District (STMD) and Sacramento Tourism Infrastructure District assessments.

For additional questions on TOT taxes, please contact the Report and Account Services Unit of the Tax Collection and Licenses Division at (916) 874-8700, by email at Finance-TOT-UUT@saccounty.gov, or visiting our FAQ page on TOT.

Can I Operate a Short Term Rental on My Property?
If you meet the following Use Standards and obtain the required Permit and Business License, you can operate a Short Term Rental (per Section 3.9.3.AA of the SZC):

- Residency requirement: The property owner or renter (with long term lease) must live on-site a minimum of six months per year, and can provide proof of residency.
- Maximum occupancy for the rental shall not exceed more than two adults per bedroom.

Do I Qualify for a Short Term Rental Permit?
Before applying for a short term rental permit through RentalScape, please make sure you meet the minimum qualifications below:

- Is your property located within Unincorporated Sacramento County?
- Is the proposed rental unit a legally permitted primary dwelling or an ADU legally permitted prior to January 2020?
- Is the proposed Short Term Rental your Primary Residence?
- Are you either the property owner or a renter with owner’s consent and a long term lease?
- Do you have the required documentation to prove Primary Residency and Proof of Ownership/Owner’s Consent?

The County of Sacramento cannot permit short term rental operations as the primary use of a residential property with the exception of qualifying properties located within certain zones of the Locke Special Planning Area (SPA) or Walnut Grove Neighborhood Preservation Area (NPA). Applications outside qualifying zoning districts of the Locke SPA or Walnut Grove NPA that do not demonstrate the accessory nature of the use will be denied. If you answered no to any of the above questions, you likely do not qualify to use your dwelling or ADU as a Short Term Rental. All fees submitted are non-refundable.

Can I Use my Accessory Dwelling Unit (ADU), Junior Accessory Dwelling Unit (JADU), or Guest House as a Short Term Rental?
An ADU cannot be used for short term rental activity unless it was a legally permitted ADU prior to January 1, 2020. JADUs and Guest Houses cannot be used for short term rental activity in any circumstance.
What Does Proof Of “Primary Residency” Mean?
The County of Sacramento cannot permit short term rental operations as the primary use of a residential property. Therefore we require the property owner or renter to live on-site at the location of the proposed rental for a minimum of six months per year and to provide proof that the site is their Primary Residence.

What Documents Are Acceptable To Establish Proof Of Ownership Or Owner’s Consent?

The provided document must reflect the resident's name and address where the permit will be registered. These documents will be kept confidential!

What Documents Are Acceptable To Establish Proof Of Primary Residency?
Acceptable documents to establish proof that the proposed short term rental property is the applicant's primary residence include: California driver's license, current voter registration card, or most recent tax refund (page with mailing address). The provided document must reflect the resident's name and address where the permit will be registered. These documents will be kept confidential!

Please note, utility bills are no longer accepted as proof of Primary Residency.

I Am A New Resident With No Proof Of Residency. How Can I Get A Short Term Rental Permit?

Can I Use My Property For Short Term Rental Outdoor Stays Such As Camping, RV Parks, Cabins, Treehouses, and Glamping (i.e. HipCamp)?
Campgrounds are only permitted in Agricultural and Recreation zoned properties with a Use Permit approved by the Zoning Administrator. As such, outdoor Short Term Rentals are not allowed.

Stays of 30 days or longer are permitted and would be considered a Rental Property, and not a Short Term Rental. Rental Properties should be registered with the Rental Housing Inspection Program.
